Virtually Maintenance-Free

Even after continued exposure to the elements, Dream® Rail is proven to perform.

The Dream®Rail and Dream®Deck Systems enable you to enjoy your deck on hot summer days in comfort, without the heat build-up associated with traditional deck surfaces. The Dream® Rail and Dream®Deck surfaces are UV resistant and stay comfortable to the touch. Both are made of an innovative vinyl material that is far superior to wood.

Dream®Rail System on a concrete surface.

Unlike wood, these surfaces won't splinter, warp, decay or mildew. They do not require painting, staining or sealing. Plus, they are 100% recyclable and friendly to the environment.

 **Dream® Rail**
Maintenance-Free Vinyl Rail

If you've been searching for the perfect complement to your porch, patio or deck, Dream®Rail Vinyl Railing is the system you've been looking for. Dream®Rail is so versatile, that it provides a finishing touch to any surface, including wood, masonry and especially our vinyl Dream®Deck System. The Dream®Rail System is available in colors and styles that assure you can create the perfect look for your home.

Even better, you'll have extra time to enjoy this beautiful accent to your home, because the Dream®Rail Vinyl Rail System is virtually maintenance-free. No more staining or painting.

Dream®Rail Glass Rail System enables you to enjoy your surroundings from any angle.

The Dream®Rail System is also available in the view enhancing Glass Rail design. This unique system is a combination of durable 3/8" thick tempered safety glass and low-maintenance vinyl rail components. The Dream®Rail Glass Rail System enables you to enjoy an unobstructed view of your front or back yard surroundings.

Dream Rail Components

It's all about options! Virtually every aspect of the Dream®Rail System is subject to your personal needs and tastes.

Dream®Rail with pickets.

Components are available in white and earthtone colors. Choose square pickets for a smart, clean look or contoured balusters for a more elegant accent to your home.

Dream®Rail with balusters.

In addition to selecting color, picket and baluster options, you also have a variety of post caps to choose from. Traditional and Ball caps offer a classic appeal, while Gothic and New England caps provide a distinctive look.
